Earth Day

On 22nd April, 2021 Prarambh, the school celebrated Earth Day with the aim to raise awareness about the importance of mother earth. We promote harmony with nature and earth. Our mission is to diversify, educate and activate the environmental movement among our children. On this day the toddlers of pre nursery were encouraged to plant saplings in their indoor gardens.

Easweramma Day

On 6th May 2021, Easweramma day was celebrated to commemorate the mother of Bhagwaan Shri Sathya Sai Baba and at Parevartan School this day is Celebrated as Mothers' Day. Children expressed their love & gratitude to their loving mothers by helping them in household work and our little ones made beautiful cards and dedicated songs to their mothers.

World Milk Day

On June 1st, 2021 'World Milk Day' was celebrated to spread awareness about the importance of drinking milk. The children of Pre-Primary drank milk-based beverages and desserts to beat the heat.

Father's Day

On June 20th, 2021, the tiny tots of Pre-Primary celebrated Father's Day in a special assembly, conducted by the Gurumas. The toddlers enacted their fathers and made the day more special for them by doing some workouts and later they shared the videos of the same with their Gurumas.

International Yog Day

On 21st June 2021,- Parevartan School celebrated 7th International Yog Day, wherein the school organised a live Yog session for students and their families in the morning, under the guidance of our Yog Guru Shree Mr. Gaurav Rai and the skilled Yog students of our school. The children of Pre-Primary did Yog of animal poses in online class.

Krishna Janmashtami

On 27th August 2021, the Parevartanites celebrated the birthday of Lord Krishna, the one who enchants everyone with His playful mischiefs, and teaches us the essence of life. The tiny tots of Pre-primary sent their dance videos on some foot tapping numbers of favourite Krishna songs like 'chhotichhotigayiya, Kanha so jazara.'

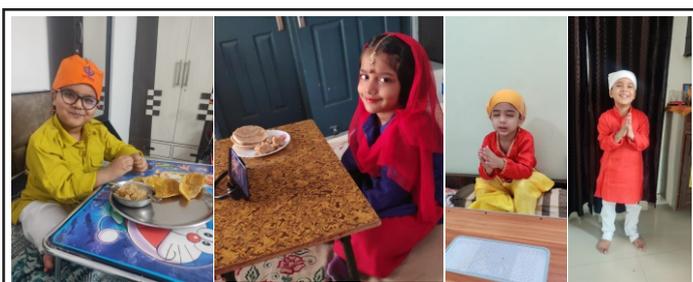

Independence Day

On 15th August, 2021 Independence Day was celebrated with the spirit of nationalism and delight. The children of Pre-Primary danced on patriotic songs, spoke the famous slogans with a lot of zeal, talked about national symbols and sang patriotic songs with ardour.

Teej

Parevartan School celebrated Hariyali Teej on August 11, 2021. The children joined the Zoom meeting, were dressed in green attire and had a plate of Ghevar before of them. Kids applied mehndi on their mothers' palms and were elated to flaunt their beautiful mehndi designs on their hands too. Gurumas also shared videos to show the children how girls and women enjoy the Teej festival with their friends on swings, singing folk songs. The children were overwhelmed with joy watching the videos.

Ganesh Chaturthi

On 10th August, 2021 Ganesh Chaturthi was celebrated, wherein the children made idols of Lord Ganesha, (the lord of knowledge) with eco-friendly material like maida, atta, laung, elaichi. They even did 'visarjan' in a bucket or tub which was filled with water, later which was used for watering the plants.

Teacher's Day

The tiny tots of Pre-Primary dressed up as their Gurumas and presented an act dedicated to their gurumas which was enjoyed a lot. They even made hand-made cards for their Gurumas.

Gandhi Jayanti

The birth anniversary of Mahatma Gandhi whom we call 'Father of the Nation, the one who' has influenced national and international leaders, all around the world and Lal Bahadur Shastri the man who played an eminent role on Indian struggle for freedom is observed on 2nd October. The tiny tots of Pre-Primary dressed up as Gandhi ji or Lal Bahadur Shastri ji, and recited a famous quotes by them in virtual class.

Dussehra

The tiny tots of Nursery celebrated Dussehra and did Dandiya, and little ones of kindergarten showcased 'SanshiptRamayan'. It was a treat to the eyes to watch them doing Dandiya with lots of grace and dramatizing the scenes from Ramayan.

Diwali Celebration

On 2nd Nov 2021 a special assembly was organised by Gurumas in which the kids of Pre-Primary were dressed in ethnic wear and made a poster with a slogan on eco-friendly Diwali. Gurumas encouraged toddlers to do Dhanteras Pooja at home. Kids made rangoli with the help of their parents and as Diwali festival is the cleaning time so children cleaned their toys, bags, book shelf and belongings.

Gurupurab

As in Parevartan we have a tradition of celebrating all the festivals of all religions so we celebrated Gurupurab in different style. As due to pandemic kids can't go out in gurudwara, so we did a virtual Gurudwara visit for our little ones. Kids, dressed in Punjabi attire, had halwa and puri prasaada as langer. While having virtual visit kids even covered their heads and sang shabad 'ek omkar'.

Christmas Day

Christmas is the festival of joy, peace and happiness. The tiny tots enjoyed the virtual tour to church in which kids were dressed in red, green, white coloured clothes with santa cap. To add the festive touch kids were ready with some cakes/muffins and cupcakes in virtual celebration.

Lohri and Makar Sankranti

On Lohri students of Pre-Primary were dressed in Punjabi attire in which girls wore parandi also. Kids geared themselves up for dance move on dhol and kept popcorn, gajak and revari to enjoy lohri& on Makar Sankranti.

Republic Day

Republic day is the day when we legally became the proud citizen of India. The students of Pre-Primary celebrated 73rd Republic Day with full enthusiasm in which kids dressed in any character of freedom fighter/national leaders or any Tri-colour dress and made a tri-colour dish like tri-colour sandwich, tri-colour rice, tri-colour fruit salad.

Basant Panchami

To exhibit their respect towards goddess Saraswati, the Goddess of knowledge, music, learning and arts, the students of Parevartan celebrated Basant Panchami with the feelings of devotion. On that day, the students were asked to wear yellow-coloured clothes, and eat yellow food. In various class assemblies children sang the devotional song "Hey Shaarde Maa". They recited Saraswati Vandana and offered flowers to the Goddess of knowledge.

Holi Celebration

Holi Hai!!!!.....and yet again it was celebrated in PAREVARTAN's traditional style!!

'PHOOLON KI HOLI' - The children came dressed in White Kurta Pajama or any white coloured clothes and bought flowers to play phoolon ki holi with Lord Krishna. Everyone enjoyed playing with natural elements. The kids were also taught the importance of the festival, and the Gurumas shared the story behind it too

Storytelling

Since the session 2021-22 went all online, but indeed gave the entire teaching community an innovative scope to make learning more fun with technical aids. The storytelling sessions were nowhere left aloof. Some engaging and lesson based stories like 'The Three Little Pigs', 'Goldilocks' and 'The Three Bears' were picked based on different themes and values decided for every month. The stories were delivered through the help of audio-visual aids and other technical supports. The students were taught about proper intonation, punctuation, voice modulation along with body language. Related questions were also induced

to attract their attention and make them more engaged. They also received the opportunity to illustrate their favourite characters. These sessions not only contributed in enhancing linguistic intelligence but also aids to critical thinking and spatial intelligence.

Role plays

In role plays, an individual acts out different roles to explore a particular scenario. It improves communication skills and enhances life skills as well. Kids enthusiastically participated in different role play activities and enacted as different real-life as well as fictional characters.

Podium Activity

Public speaking is one of the most important and most dreaded forms of communication. Parevartan understands it. So, to encourage the little kids to overcome the fear of public speaking, Parevartan organises Mic Handling activity at regular intervals. Kids are given different topics to express themselves. This activity enhances their linguistic skills. During the tenure of online classes, they have also learnt to handle the mic well and wait for their turn patiently.

Dance

Dancing connects the body to the soul on rhythm, and makes us happy inside out. Parevartan made sure that the kids do not miss out enjoying this beautiful art form on the virtual environment. Kids are given a chance to develop their kinaesthetic skills through dance during all the festival celebrations, for example, they enjoyed learning Dandia during Navratri and Bhangda during Baisakhi.

Music

Music is a powerful tool to impact learning. It activates the brain like no other modality. Rhythm helps in logical development of the kids. During our virtual classes, we made sure to keep music alive through varied rhymes (related to different themes like seasons, festivals, and family) and rhythmic sessions in Hindi and English. It not only enhances their linguistic and musical intelligence but also helps to inculcate values, too.

Fine and Gross Motor Skills

Fine and gross motor skills play a vital role in development in early years of a child. During the virtual classes, the kids were encouraged to enhance their fine motor skills through different and innovative activities to develop their pencil grip. New and different activities every week kept the kids in high spirits. Not only are these activities a great fun for kids but they also aid their muscular development, hand-eye coordination and whole-body balancing.

Yoga

Yoga is a form of disciplined body and life. Practicing yoga on

regular basis keeps us fit and active. Parevartan lifts the legacy ahead by incorporating the sessions on Yoga in its daily practice, may it be an adult or a three-year-old child. We not only make kids practice yoga on virtual classes but also made yoga videos for easy understanding for kids as well as their parents. In these videos, we explained the benefits of different Asanas, divided them according to the different age groups and taught them in an innovative manner. We covered different practices such as Animal Posture Yoga, breathing exercises, taad asana, butterfly pose amongst others. Kids thoroughly enjoy yoga and are always eager to participate actively.

Little Chef Activity

Life Skill is an important subject for Pre-Primary kids. Through hands-on activities, kids are trained in various skills so that they become independent. Culinary art is an important life skill and during this activity, students involve in flameless and healthy cooking. They also became familiar with the cooking related vocabulary like stirring, churning, peeling, grating etc.

Experiments

Parevartan advocates experiential learning in online as well as offline teaching. During the virtual classes, kids, as per the prior instruction, used to sit prepared with all required article for the experiments at their homes and on the other end the teacher were supposed to perform the experiment with them. Colour mixing, water has no Colour, Power of Sun, Sink and Float, Soluble and Insoluble were some of the experiments that were practiced in the online classes.

Competitions

The world runs and progresses on Darwin's theory of 'Survival of the fittest' and competitions have become a no-escape reality for one and all. The kids at Parevartan are trained for different challenges and prepared to excel in all fields. During the previous academic session, the children participated in several inter-school as well as intra-school competitions such as Dance Competitions, Story Narration, Shape-o-Magic, Madhubani Competition, Best out of Waste, Rhyme Recitation, Matki Decoration, Quiz and Olympiads. Via all such competitions and events organized at regular intervals, the kids are not only encouraged to be participative but also to handle the emotions of winning and losing in a healthy manner.

Welfare Activities at Parevartan School

1. Save a Rupee
2. Medicine Collection Drive
3. Plastic Collection for Recycling
4. Distribution of Rice, Pulses, Tang and Sugar to the needy during Birthday Celebrations
5. Orphanage Donation Drive
6. Joy of Giving
7. Reuse of RO waste water for watering the plants

EARTH DAY

On April 22, 2022, the students and staff of Parevartan School celebrated Earth Day, and paid their tribute to planet home. The little ones of kindergarten participated in activities that allow them to practice their oratory skills give them an opportunity of putting their ideas into words. Kids were asked to dress up as Mother Earth and speak a few lines on how they can save her. Furthermore, children were encouraged to collect all the waste plastic, which was then sent for recycling. Toddlers enthusiastically planted saplings with a pledge to look after them further too. The idea was to instil the feeling of responsibility towards our mother Earth.

LABOURS DAY

Labour Day or International Worker's Day is celebrated on 1st May every year to express our gratitude towards the contribution of workers in our day-to-day life. The little ones of Pre-Primary prepared creative handmade cards with heart-warming messages for the labourers. They also made lemonade for the helpers around them. The kids were taught to always be kind, grateful and respectful towards support staff and domestic helpers in our daily life. The day offers us to celebrate the contribution and sacrifice of the workers to and for the society.

EESWARAMMA DAY (MOTHER'S DAY)

Early May celebrations mark the internationally recognized Mother's Day as well as the commemoration of Easwaramma's death anniversary. To celebrate this day of love, bonding and gratitude towards mothers and in memoir of Easwaramma, the chosen mother, the compassionate students of Parevartan School designed beautiful cards, indulged in flameless cooking and sang songs for their mothers.

WORLD ENVIRONMENT DAY

"The environment is where we all meet, where we all have a mutual interest." It is the one place that all of us share. June 5 is celebrated as World Environment Day to raise global awareness regarding the environment. Its main aim is to take positive environmental actions, protect nature and the planet Earth. The students of Parevartan School paid their bit to regulate the environment and rejuvenate its efficacy by cleaning the green patches of school, watering plants and making bird feeders. We also encourage recyclable resources to be used to show our solidarity towards saving the environment.

MEMORIAL DAY

Sir Brig. V.S. Chaudhri-the 'Soldier Scientist Saint' "No longer by our side but forever in our Heart." On 18th June 2021, our dearest Brig. V.S. Chaudhri, merged with the heavens above. He has left behind a legacy of integrity, compassion, great strength and service, which we pray fully strive to carry forward. His kind words, gentle soul, and everlasting blessings will always be there to guide us and surge on the path of righteousness and benevolence.

On 7th June 2022(his First Punya Thithi) Havan was performed which was followed by soulful rendition of Bhajans. Our beloved Brig. Sir, will forever remain alive in our hearts and memories, though we are learning to live without him, we will deeply miss him. "God has you in His arms, we have you in our heart...."

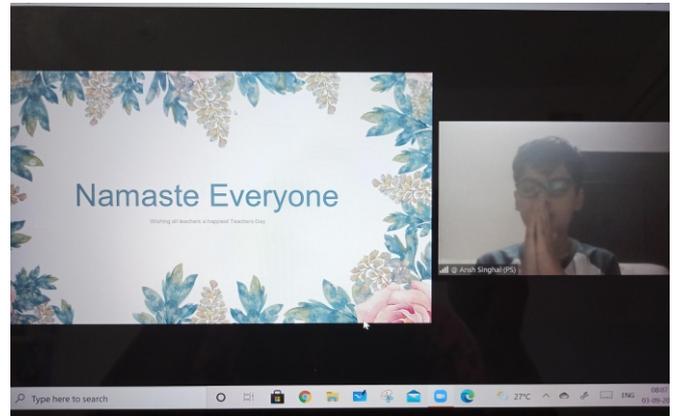

WORLD YOG DAY

The International Day of Yog is being annually observed and celebrated on June 21, since 2015. The students of Parevartan School took an active part in Yog Day's celebration by performing various postures and concentrating on breathing harmonization at home along with family and friends. They also stayed away from gadgets for an hour to refresh and recharge their evening. These Yog Abhyasis crossed their hearts to stay the healthy, adopt conducive –lifestyle today for your healthier tomorrow.

VIRTUAL TOUR – KIRAN NADAR ART MUSEUM

On the July 23, 2021, Parevartan School had the privilege to be a part of an interactive, curator led virtual walk through of three exhibitions at the prestigious Kiran Nadar Museum of Art (KNMA). Kiran Nadar Museum of Arts (KNMA) is the first private museum of art exhibiting modern and contemporary works from India and the sub-continent. It's a non-commercial, not-for-profit organization, which intends to exemplify the dynamic relationship between art and culture through its exhibitions, publications, educational, and public programs. The tour was conducted virtually through zoom. It displayed the great art work of artists like Zarina Hashmi, Ayesha Sultan, Lala Rukh, Prabhavati Meppayil, Sumakshi Singh, Mrinalini Mukherjee and Jayashree Chakravarty. It was an enriching experience which ignited the passion for art among our students of various age groups.

KARGIL DIWAS

'Freedom in mind, Faith in words, Pride in our hearts, Memories in our soul.' Kargil Vijay Diwas was observed on July 26, 2021 to celebrate the success of the operation that was launched by Indian Armed Forces to drive out the Pakistani infiltrators from the heights of Kargil. The school observed it by participating in activities like making poster and card along with a slogan, showing empathy by marking a diary entry and collectively celebrated it as a community by lighting candles in remembrance of the brave martyrs.

CAREER GALA

There comes an age where one starts thinking about the right path to choose, and succeed in life - What to do after Grade XII, which college/university to apply in from 2nd August to 5th August Parevartan School in partnership with eminent educational institutions organised 'Karma-the career gala' career meet, for the parents and students of Grades IX to XII wherein some of the best universities like Shiv Nadar, Ashoka, Ahmedabad University, O.P. Jindal, Plaksha and Krea guided the students as to what and how to make the right career choice. A

session was also conducted by Pratham, one of the leading test preparatory centres of the country for career possibility and clarity. The four-day workshop had guest speakers and resource persons from the aforesaid university guiding the students about the courses and the streams available across the country.

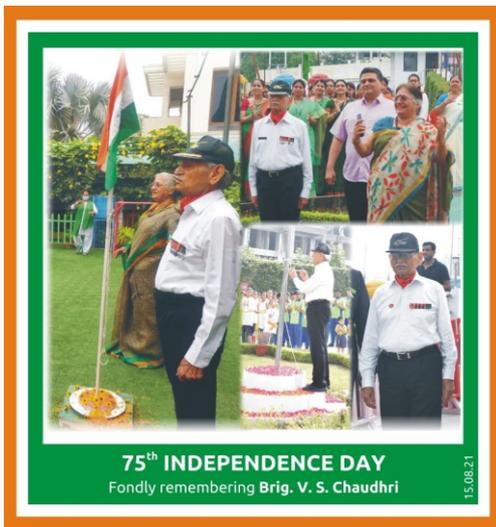

CO-SCHOLASTIC WEEK

Good health is an asset, and it should be one of our top priorities to keep ourselves fit, physically, mentally and emotionally. Parevartan School organised its first Co-Scholastic Week from 2nd August to 5th August, in which it planned to engage its students in various physical activities, for the benefit of their bodily health as well as mental stamina. A three-days event was conducted by the school's Gurushrees including activities like Laughter Yog and Pranayam by Gaurav Gurushree, Fun Zumba session by Viplove Gurushree, and Fitness session by Sagar Gurushree, that indeed rejuvenated everyone.

HIROSHIMA DAY

August 6, 1945, is the day in our history that left the whole world with a question - are wars and fights the only way of seeking world peace. Hiroshima Day is observed to promote peace against political wars. This incident of atomic bombing left a deep impact in the country of Japan. To spread awareness on world peace and promote the idea of tolerance, the students designed posters and displayed them in the corridors over wall magazines that attracted the attention of all the passers-by and invoked their core instinct to stay calm and always assert the positive aspect of life and situation. They also made videos telling the disadvantages of anger, which floated suggestions to observe Yog or other activities that help in controlling anger. One the other hand some videos expressed students' opinion on importance of peace in our day-to-day life.

INDEPENDENCE DAY

Our lavish culture and glorious history of 75 years of Independence was celebrated at Parevartan School on 15th August 2021. The chairperson, Ms. Vinu Chaudhri had a physical gathering on this special occasion at its campus. The school hoisted the Flag with everyone's head lifted high and pride in heart and lifted students' souls with her courageous and thought-provoking words. It is our pride to recollect the great history of the county that has shaped its citizen's path and led all to this great success that all are embraced today and building on it as each day passes by. The students mesmerized the audience with their heartfelt speeches and performance. The children dressed up in tri-coloured clothing narrated poems, sang and danced on patriotic songs. Kids were overwhelmed with joy while participating in different cultural activities and spoke about the importance of Independence Day in our lives.

A good friend-

- A good friend is someone we can always count on. A friend is someone with whom we can relax and just hang out, have fun and share the innermost thoughts, deep dark secrets, lofty and noble goals, or our hopes, joys, and fear.
- A good friend allows you a safe space to share your deepest thoughts and needs without worry of being judged. He motivates you to do your best and always be there in the darkest times.

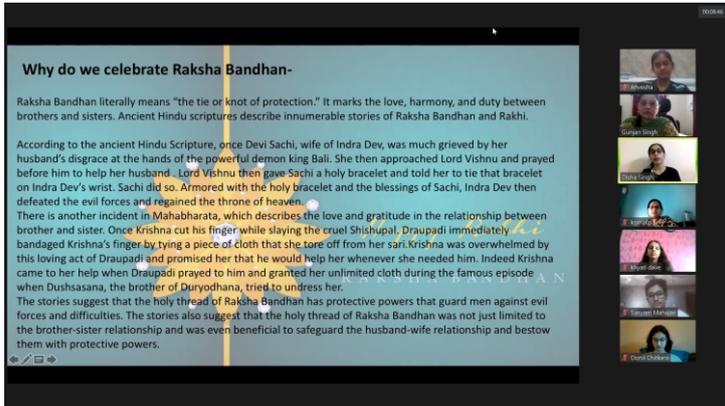

FRIENDSHIP DAY

'The only way to have a friend is to be one.'
And who else understands this better than our little ones. Even

the distance between the kids could not dampen their spirits. They made beautiful cards for their friends and even wrote small sweet poems for each other, and also made friendship bands as a symbol of their love.

RAKSHABANDHAN

Raksha Bandhan, which means the bond of safety, celebrates the auspicious brother-sister relationship. The Hindu festival is observed on the full-moon day or Purnima on the Hindu calendar month of Shravan. This year it was being celebrated on Sunday, August 22. On this day, a sister ties a thread on the wrist of her brother as a symbol of her unconditional faith in him and of her prayers for his long life. In return, the brother promises to keep her happy always and protect her from all troubles. To keep the festive spirit in tact in the hearts and minds of all, Parevartan School students made Eco friendly rakhis and later displayed them in the corridors hung on strings.

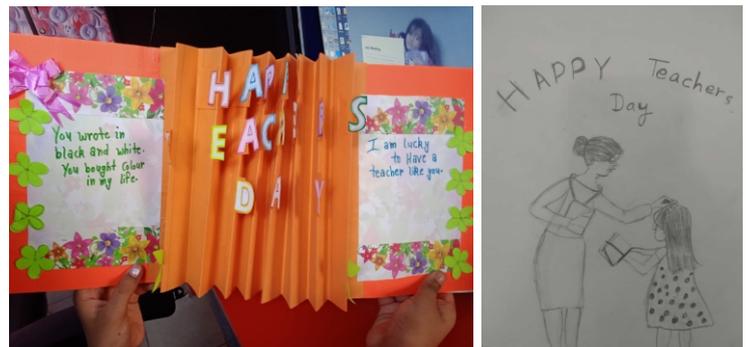

JANAMASHTAMI

To seek the blessings of Lord Krishna, Janmashtami was celebrated at Parevartan School on August 31, 2021 with mirth and joy. Krishna Janmashtami also known as Janmashtami is an annual Hindu festival, and it marks the birth of Krishna, the eighth avatar of Vishnu. The fragrance of flowers, soothing aroma of camphor filled the air. To celebrate the extraordinary bond between children and the Almighty, the school took the opportunity to both celebrate and learn along with the young minds. A few Parevartanites who had little Lord Krishna at their homes, created an adorable setup for Him and shared the pictures and videos. The school premises was festooned with vibrant and festive colours, the spirit of occasion was enhanced with tableau depicting the life accounts of Lord Krishna. The celebration spread the hue of entertainment and education.

TEACHER'S DAY

To express their gratitude towards their Gurumas and Gurushrees, from the little blooming tiny tots to teenagers, all were indulged in several activities. Students made appreciation themed pop-up cards and e-cards and delightfully thanked the teachers for brightening their

students' each day. A few even recorded videos and expressed their feelings for their favourite Gurumas and Gurushrees. On the occasion of Teacher's Day, the little ones from Pre-Primary dressed up as their favourite teachers and spoke about their affinity with them. Further, the kids also enacted them. It was indeed a precious moment for one and all. The management organised a special event for all the staff members of Parevartan outside the school premises which was followed by the dance and dinner. Every was beyond joy and content at the end of the day.

GLOBAL LITERACY DAY

On September 8, 2021 Parevartan School celebrated the joy and privilege of literacy by celebrating Global Literacy Day. In many ways, literacy is an advantage that we all are blessed to have. The School celebrated this day to mark the importance of literacy and to remind that it's everyone's right. Literacy and education are very important for humans to grow and create a sustainable environment. The concept of literacy was elaborated among students in the morning assembly. Students were encouraged to opine about the significance of the day. Students of senior wing even discussed their aspirations and future goals with their teachers. To mark this day, students also projected their viewpoint in the form of slogans on literacy, giving emphasis on education as the foundation stone to build a more sustainable future for all.

GRANDPARENTS DAY

A grandparent's love never grows old. The Grandparent's Day celebration was jovial and poignant for everyone involved. The kids spent the day with their beloved grandparents and engaged them in different activities like humming their favourite songs, and cherishing their narration of experience-based stories. Some kids also indulged in dancing and flameless cooking together. They learnt about the symbol of peace, made doves and also learnt the value of the same. Toddlers were sent an outline picture of the dove, over which they were supposed to paste cotton. The activity aims to realise them about the gentleness of cotton and dove and also how they can imbibe such qualities in them. The Gurumas discussed the importance of peace in present times.

INTERNATIONAL PEACE DAY

Every year the International Day of Peace is observed around the world on September 21. The UN General Assembly has declared this as a day devoted to strengthening the ideas of peace, through observing 24 hours of non-violence and cease-fire. With this year's theme being 'Recovering better for an equitable and sustainable world,' Parevartanites spread compassion, kindness and hope in the face of the pandemic by taking part in a range of activities like Peace Wave, Talk with Self, Selfless act of kindness, Class Discussion on ways to maintain peace and harmony in the world, etc. Students of senior classes wore white attire and conducted a general discussion about the importance of having a peaceful society. Children expressed their views on the relevance of peace in the current world. No doubt, this day focused on building a peaceful and sustainable world, and by exposing students to these concepts at an early age would help them shape into responsible Global Citizens.

WORLD ELDER'S DAY

Elders are the family's greatest treasure, the founders of a legacy, and the keepers of tradition. They are the family's close foundation. Through their special love and care, they keep a family close at heart. In order to inculcate feelings of love and care among the students towards the elderly, Parevartan School celebrated 'World Elder's Day' on October 1, 2021 on a virtual platform. The main aim of the celebration was to make them understand the importance of elders in everyone's lives. Students were told about all the contributions that older people make to society and raise awareness of the opportunities and challenges of ageing in today's world. On this occasion, the students were accommodated in various activities that later turned and preserved in the chest of memories. They were shown a video clip to refresh their perspective about the elderly. Students tried to reciprocate the emotion by offering some gratitude gift to their known elder ones which they wanted and captured watery emotion inside the lids of their shiny eyes.

GANESH CHATURTHI

On 10th September, the occasion of 'Ganesh Chaturthi', Management, staff and students, of the school welcomed Lord Ganesha by consecration of Lord Ganesha idol at school's holy quadrangle. On this auspicious occasion, the Principal illuminated the lamps, students sang Ganesh Vandana while all the members offered their prayers to the Lord. The tiny tots of Pre-primary to Grade 2 paid tribute to Lord Ganesha by making their own environment friendly Ganesha Idols using natural resources for the festivities. The students of Grade 3 to 5 sang prayer for Lord Ganesha and made creative videos on it. Students of Grades 6 to 8

made paintings and sketches of Lord Ganesha using natural colours, while Grade 9 to 12 had a class discussion on how the Visarjan could be done without harming the environment. All the activities were concentrated on a universal theme of 'Eco-friendly Ganesh Chaturthi' celebration. The entire school offered its prayers with great devotion, with a belief that Lord will bestow his presence to remove all the obstacles and troubles from every ones' lives. Prasad was distributed amongst all.

WORLD OZONE DAY

Earth without ozone is like a house without roof. World Ozone Day is observed on September 16 every year, as on this day, the first step was taken towards fixing the hole in the planet's ozone layer. Parevartan school observed the World Ozone Day to spread awareness among the students about how crucial the ozone shield is for the life on Earth, its gradual depletion and the need to search for possible solutions to preserve it. The students took part in a poster making activity, highlighting the need of the ozone layer protection. The students were advised to use environment-friendly cleaning products, prohibit the use of nitrous oxide, buying air conditioning and refrigeration equipment that do not use HCFCs as refrigerant. Some of our students spread awareness about harmful effects of Ozone Depletion amongst their friends and families. They also took a pledge to avoid using old home appliances and instead replaced them with the new ones and use more of car-pooling. The students even watched documentaries on Ozone Layer Depletion and shared their learning with their families and friends.

GANDHI JAYANTI

Parevartan stresses to imbibe the teachings of Mahatma Gandhi amongst all the students. In a special assembly held on the occasion, Gurumas enlightened the kids about Gandhi Ji's role in freedom of our country. The kids participated in a quiz on general awareness about Gandhi Ji and made beautiful Charkhas as a part of their art and craft activity. Mahatma Gandhi is an inspiration for many. Born on 2nd October, Mahatma Gandhi has influenced National and International

Leaders all around the world. Students celebrated his birthday by taking part in the various activities like Dressing up as Gandhi Ji, little ones recited famous quotes by him, wrote poems on his achievements, made colourful collages, showing important incidents of the Mahatma's life seniors students also made a short PPT on the topic – the decision and act of Gandhi Ji that inspired them the most. The day ended with a thought in everybody's mind that cleanliness is next to godliness and service to mankind is the first step towards reaching it.

WORLD HABITAT DAY

To highlight the human settlement conditions and throw light on the basic right to shelter, United Nations (UN) has dedicated an entire day as the World Habitat Day. It is a global awareness day that reveals the importance of proper shelter. World Habitat Day is marked on the first Monday of October every year. Also, this day intends to inform and enlighten people towards their responsibility for the future of the human habitat. World Habitat Day is a theme-based event. It aims to remind people across the world that they have the power and the responsibility to shape the future of towns and cities. This year's theme was "Accelerating urban action for a carbon free world." The students of Parevartan School cleaned waste and litter, and made the environment more pleasant to be in. They also planted trees around their homes and societies to make the mother earth greener and to ensure an eco-friendly environment.

THE INTERNATIONAL DAY FOR DISASTER RISK REDUCTION

The International Day for Disaster Risk Reduction is observed on October 13 every year. It was started in 1989, after a call by the United Nations General Assembly for a day to promote a global culture of risk-awareness and disaster reduction. It is an opportunity to acknowledge the progress being made towards reducing disaster risk, livelihood and health. We, at Parevartan believe that 'Disaster Risk Reduction Begins at School'. Following this idea, the school encourages the students to get involved in activities where they practice mock drills, prepared first aid kits and safety plans in case of natural hazard. The school always steps forward to educate the children about various disasters and their far-reaching implications on ones' lives.

WORLD MENTAL HEALTH DAY

With the objective to raise awareness of mental health issues around the world and to mobilize efforts in support of mental health, World Mental Health Day is observed on October 10 every year. Mental Health is of utmost importance for the physical and emotional well-being of an individual. Parevartan School understands and prioritises mental health above all. The students were involved in a variety of activities to make an effort in spreading

happiness within and around all. What makes you happy? What is it that brings a smile on ones' face? Students shared pictures, audios, videos while doing the activity. We all go through something or the other which bothers us, pushes us down, and those things must be addressed. Keeping in mind the need to de-stress and help find inner-peace, special mental-health awareness sessions was conducted by the school's counsellor and the students were provided a safe-space to open their hearts.

DUSSEHRA HAWAN

India is a land of festivals and celebrations that bring peace and joy to everyone. It is an expressive way to celebrate our glorious heritage, culture and traditions. Dussehra, Dasara or Dashain, also known as Vijayadasami, is one of the most significant Hindu festivals celebrated across the country. Keeping the festive spirit alive, the students at Parevartan, enthusiastically participated in activities, where they introspected and wrote down a habit of theirs which they wanted to change, for good. Later, they burnt it in the flames of the effigy of Ravana, learning the value of honesty, respect, humility and obedience, which are the core of our Indian epic, Ramayana. The celebration conveyed the message that good always triumphs over evil. The tiny tots of Parevartan School celebrated the victory of good over evil by performing scenes from the great epic Ramayana. Dressed up as different characters of Ramayana, they learnt their dialogues and recorded respective videos, all of which was then compiled and virtually produced a beautiful role play of Sankshipt Ramayana.

UNITED NATION DAY

A symbol of hope for global unity, the United Nations Day is celebrated every year on 24th October. The UN was created as an international peace keeping organization and a forum for promoting human rights, economic development, diversity and resolving conflicts between nations. The students at Parevartan School, from grades III to XII celebrated the UN Day with great enthusiasm. The teachers had organized fun filled and educative activities for the students, like making flags of different countries, watching documentaries about the UN and collecting information which they later shared with their friends and Gurumas with the sole aim of spreading awareness about various cultures, the necessity to appreciate diversity and how people from different parts of the world can co-exist.

DEEPAWALI and CHILDREN'S DAY

Parevartan School Rajnagar Extension celebrated Children's Day on November 14, 2021. Children's day is also known as Bal Diwas. It is celebrated in India to pay tribute to our former Prime Minister. Parevartan sees its students as torch bearers. This year the joy was doubled as the school celebrated Deepawali and Children's Day together. In the unprecedented time of Covid-19

With social distancing, Parevartan school celebrated the Diwali festival on the virtual platform and it culminated with the impetus words and wish by Principal Guruma. The little ones

decorated diyas and participated enthusiastically in house cleaning activities and Diwali Poojan and shared their clicks with their Class Gurumas. They also participated in the Diwali special podium activity.

GURU NANAK JAYANTI AND GENERAL SEVA

Parevartan School Rajnagar Extension celebrated Guru Nanak Jayanti on November 19, 2021. Guru Nanak Jayanti is celebrated on the birthday of the first Sikh guru, after whom the festival is named. This auspicious day falls on the first full moon in the month of Kartik, which reflects in the month of November. The school has encouraged children to do Seva on this day. Due to social distancing school was not able to incorporate this seva in school but has encouraged the students to share their happiness with the lesser privileged ones by encouraging them to share gifts, sweets, halwa or kheer with them. There was a virtual celebration of Guruparv. The Gurumas and students dressed up in Punjabi attire and attended a virtual tour to Gurudwara. They offered prayers while staying at home and had Halwa-aloo-puri. They were told about the Guruji's teachings. Kids learnt core holy verse and virtuous path illuminated by the festival.

SRI SATYA SAI BABA ADVENT DAY

Sri Satya Sai Baba, spiritual guru of India and believed to be incarnation of Sri Baba was born November 23, 1926. He spread the message of 'love and service to all'. His millions of followers successfully run many charitable organizations for the service of mankind. To mark his 96th birthday a prayer ceremony was organized by Parevartan School on November 23, 2021 at Sai Vrindavan Rajnagar. Melodious prayer songs (bhajans) were sung, in the memory of the Guru. All the bhajans conveyed the message of love and compassion. Gurumas explained the importance of Advent Day. During the virtual class, the children dressed as Sri Sathya Sai baba and discussed his life experiences and valuable teachings. Everyone attending the prayer ceremony felt blissful and motivated to follow the teachings of love, compassion and service taught by the guru.

CONSTITUTION DAY

Constitution Day also known as "National Law Day", is celebrated in our country on November 26 every year to commemorate the adoption of the Constitution. The school celebrated this day with great enthusiasm and various activities were organized, wherein children participated

with great zeal. The motive was to inculcate the values of responsibility and dutifulness amongst children towards their nation. For grades 3-5 a poster making competition was held, where children had to demonstrate how by fulfilling their duties and responsibilities, they can contribute to national development. Students of grades 6-8, were encouraged to shoot a short video through which they had to explain any one duty of the Constitution among the

11 laid down, for the citizens of India. The students of grades 9-12 were motivated to think and make a list of all the necessary steps to be taken by young generation which can contribute towards nation building and the country a better place to live in. The idea of all such celebrations in school is to make children aware of their rights and duties, as that of a responsible citizen of this nation, so that later they can contribute towards consolidated future endeavour.

CHRISTMAS

December 25, Christmas Day is celebrated worldwide to mark on the incarnation of Lord Jesus Christ. It is a symbol of religious and cultural harmony. On Christmas eve people visit church to offer prayer & melodious Christmas carols are sung. Parevartan School also celebrated the festival with great fervour. Grade 3-5 children were asked to make a Christmas card and write a wish for the world. For Grades 6-8, children were guided to make different decorative items for the Christmas tree, out of waste. A special activity was planned for students of grade 9-12, wherein they dressed up, secretly, like Santa for someone and offered them gifts. These gifts were not material rather special ones which could help the person reflecting to be a better person. Every festival has something good to teach, Christmas teaches us the value of sharing and caring, how to be grateful to the almighty for blessing all abundantly.

LOHRI

Lohri marks the end of winter and the start of a new month. On January 13, 2022, Parevartan School celebrated the festival with gusto, and the students of pre-primary classes celebrated it with a lot of fun and frolic. Kids were dressed in Punjabi attire and brought popcorn, peanuts and Revri to celebrate the occasion. Punjabi music was played and everybody danced to their hearts content. They had Gajhak, Revdi and peanuts. They performed Bhangra on Dhol music and participated in celebration with great zeal. It was heart-melting watching the kids sing and dance to their hearts' fill.

REPUBLIC DAY

Parevartan School, Rajnagar Extension celebrated the country's 73rd Republic Day with great zeal and patriotic ardour on January 26, 2022. An online event was organised for the staff of the school which commenced with Flag unfurling by our honourable Chairperson Ms. Vinu Chaudhri. She on her presence brought a spiritual and holistic impetus in the surrounding, along with the Principal Ms. Sangeeta Sharma,

Director Vidushee Chaudhri, Headmistress Manisha Paruthi and the Admin team. It was followed by the echo of the National Anthem, and a heart offering cultural programme. The programme culminated on high notes of patriotism with the vote of thanks by the Principal wherein she expressed her love and duties towards the motherland.

BASANT PANCHAMI

To exhibit their respect towards goddess Saraswati, the Goddess of knowledge, music, learning and arts, on February 5, 2022, the students of Parevartan celebrated Basant Panchami with the feelings of devotion. On that day, the students were instructed to wear yellow-coloured clothes, and eat yellow appearing food. In various class assemblies, children sang the devotional song "Hey Shaarde Maa", and prayed the Goddess to bless them with the fruit of sound knowledge.

NATIONAL SCIENCE DAY

National Science Day was observed in Parevartan School on February 28, 2022. It is celebrated to honour the discovery of Raman Effect. Online quiz based on general science topics was created on Kahoot for the students. All the grades were divided into different levels to set a platform of equity. The activity reflected the zealous performance of the students along with their subject inclination. The winners were honoured with rewards from the school.

WOMEN'S DAY

International Women's Day was celebrated in Parevartan School to recognise the contribution and significance of women in family and society. The celebration began with a poem dedicated to women presented by English Department. It was followed by a presentation by other

Gurumas, highlighting the competency and Intellectual capacity of women capable of holding positions with responsibilities as efficiently as men can do. The School's Principal Ms. Sangeeta Sharma addressed the teachers and spoke about the level of proficiency women can exhibit if given opportunity. She also said that there shouldn't be any comparison and competition between males and females, or among females themselves, just that one needs to identify ones' biases and break free from them. She asked all to feel proud of being women as- mother, daughter, officer, doctor and capable of holding every kind of executive role. Cake cutting ceremony took place after the prize distribution ceremony. The program ended with lunch for all.

HOLI

Holi is a fiesta of colours, that gala time of the year to meet the ones who are close to our hearts. On March 16, 2022, the students and staff of Parevartan School celebrated festival of colours by sharing sweets and eco-friendly, chemical free gulal with their beloveds, and also those underprivileged ones who need our care and affection. Deep down in the mind and heart of all, colour & fill affection & respect crossing the barrier of caste, colour and other basis for disparities. As a sign of love and respect, staff put Chandan Tikka on each other's foreheads, and wished everyone a life filled with the colours of infinite humanity and immense love.

OPEN HOUSE

A four days Open House event was organized for Grade III – V from March 27 – 30 to handover the progress report card and discuss the performance of students with their parents. Parents were given feedback on their ward's performances for the session 2021-22. The days started with Tilak ceremony and Mantra session near the school's reception and Brahmasthan to welcome the students, which was followed by interaction between the teacher and the parents for the development of their children where they discussed both the strengths and areas of improvements of each individual. The progress reports were given to the parents and their suggestions were noted. Feedback regarding their studies, health and performance was discussed with their parents. The teachers and parents discussed about the ways through which they could improve their wards for the best result. The progress of the students depends on the joint effort, mutual understanding & co-operation of parents and teachers. The session 2021-2022 came to an end with the conclusion that aforesaid venture of parents and teachers can result to proper nourishment and holistic growth of students.

SPECIAL WEEKS: ENGLISH LITERARY WEEK

What we learn with pleasure, we never forget. A plethora of activities engulfed Parevartan School as it celebrated 'Panache', the annual English Literary week from 23rd April, 2021 to 30th April, 2021. Parevartanites participated in an amazing

...e of activities, and enjoyed to their hearts fill. To be grammatically correct our young learners did a creative activity of making garlands out of different kinds of Nouns. Our little storytellers and budding writers illustrated the pictures and woven beautiful stories out of it. The imaginative and creative

minds also worked together and made colourful posters to make us all aware of the current scenario. Brilliant Literary work of The Bard was introduced to young minds to get the flavours of fantasy and the world of reality. To let the students know about the evolution of English language and its journey from Ancient to Contemporary they went back to history and wrote poems using olden English. For the love of reading and to give our students a taste of Indian writing, an activity dedicated to children's beloved author Ruskin Bond was conducted where the budding writers altered the ending of the story Face in the Dark. The students also showed their love for English Language by composing poems.

SCIENCE WEEK - CELL FE 3

"Scientific knowledge allows us to make new observations about the world, think differently, feel differently and even dream differently." Science week "Cell fe" was observed from October 25, 2021 to 30,2021. Students were categorized into three groups: Group 1 (Grades 3-5), Group 2 (Grades 6-8) & Group 3 (Grades 9&11). A set of innovative activities were planned for both the groups. The students were free to participate in the activity of their interest. The work of organizing, creating and others were divided among the Gurumas of Science department. Throughout the week,

students were engaged in different activities like quizzes, role play, hands on activities etc. The best ones recognised with an appreciation certificate from the school. The students participated with great zeal and the week was culminated on October 30, 2021 with some fun activities during the online classes.

MATH WEEK – INSNRE

MATHEMATICS is an integral part of our everyday lives; it is the language in which the universe communicates.

Unlike every year this year too we celebrated our annual Math Week - 'Ins re'-Ganit, the Language of the Universe. Our School encourages its students, and helps them to develop infinite love for the subject. To make this happen in an efficient manner, various activities were planned during the annual Math Week which was held from 22nd Dec 2021 to 30th Dec 2021. Students enthusiastically participated in a plethora of Math related activities. An inter-school competition was also conducted as a part of the Math Week.

While the students from grade 3 onwards strived to secure their position in the above mention activities our tiny tots from pre-primary to grade 2 enjoyed solving the picture Sudoku every day.

SOCIAL SCIENCE WEEK - SAMPADA

Like every year, this year also, the Social Science department celebrated its Social Science week *'SAMPADA'* with great joy and pomp. The theme of the week was *'Ek Bharat Shrestha Bharat'*. Different activities were planned for Grade III to Grade IX. The aim was to make the students aware of the rich cultural heritage of India and think of ways to save the environment of India. Different classes displayed the tableau of different States and Union Territories of India. They took the audience on virtual tour to the main cities of our country. Students represented themselves as the famous personalities of their distinctive States/UTs. Inter-School Quiz competition was also organised on account of Indian Constitution Day in which 10 teams from different schools participated with full zeal.

KARADI PATH SESSION

On March 4, 2022 Foundational Literacy Programme for teachers was held at the school library. The objective of the programme was to introduce Karadi Path and intensify the teaching skills of the educators, so that the skills of the learners can be enhanced. It was conducted by CEO of Karadi Path, Mr. CP Vishwanath. The programme laid emphasis on the innovative

methods to teach English language and also focussed on the challenges faced by the educators, Importance of language skills, role of a teacher, informal way of communication, language through self-learning and understanding of the language is explained in the session. Focus was given on teaching language through Karadi Path. In the starting of the session few problems were discussed while learning a language. Through a PPT the resource person explained his whole programme of Karadi Path. In a nutshell it sated that English language is taught through 4 modules- Action, Music, Story, and Reading. Importance of teaching language through visualisation and understanding was emphasised. The English faculty found the session interesting and enriching.

MEDICINE DRIVE

With the aim of engage, execute and empower, Parevartan School, Rajnagar Extension initiated a medicine drive on 27th August'2021 in school premises in association with none other than Omkar Nath Sharma, who is popularly known as Medicine Baba, the man behind the biggest medicine collection drive.

Parevartanites came forward enthusiastically to extend their support towards this noble cause. Each and every member contributed in inspiring other members of the society. All of them voluntarily collected unused medicines from their houses and their societies. The medicine-collection drive is now a monthly affair, in which the Gurumas, as a part of Parevartan School's community drive, donate and drop their unused medicines in a box kept in the school near the reception area. The medicines are then handed over to Omkar Ji and his team, where further segregation happens and the medicines are given to the ones in d.

SHE IGNITES

“At the end, it's not about what you have or even what you've accomplished. It's about who you've lifted up, who you've made better. It's about what you've given back.”

Project IGNITE is a team of coaches which was launched in

2017. They will work as a team to provide pro bono coaching to Parevartan school's selected members whose mission is aligned with a United Nations 2030 Sustainable Development Goal.

On 9th October 2021, in Parevartan School (Rajnagar Extension) WICCI Coaching Council's Uttar Pradesh Chapter, initiated the ICF Foundation's IGNITE project with their select community partner Parevartan School with the aim to amplify positive impact on local community and global cause with the power of coaching.

Under this project the selected coachees (Parevartan School's core team members) had an opportunity to understand coaching. Coachees met the coaches in person, it was the first step to embark on a journey of exploration, discovery and self-evolution to positively impact us and our institution Parevartan School.

There were 8 to 10 One-on-One sessions free, (each session was of 45 to 60 minutes) (9th October to 9th April 2022) the mode of coaching was online. In these sessions coachees briefed about their expected professional and personal goals which they would like to achieve at the end of the sessions and sustain them to enhance their professional and personal life and become a better version of themselves. In a nutshell, those sessions were engaging and insightful, the coachees got a chance to internalize and know their hidden potential, which they had never realized they had it in them. After the completion of the sessions everyone's spirits were high. The coachees could see a change in themselves. These sessions helped them to strengthen their strengths and weaken their weaknesses and become a better avatar of themselves. Now they are looking forward to bringing a change in the students and then in the society at large.

PLASTIC FREE CLEANLINESS DRIVE

Plastic pollution causes huge environmental and health issues as it harms all in more than one way- it clogs drains, causes visual pollution and proves fatal for stray animals. To beat the plastic pollution, PAREVARTAN SCHOOL started a drive to encourage its children in creating awareness and action for the protection of environment from plastic. The school also blew a whistle of Plastic Free Cleanliness Drive to get rid of the plastic waste. The students and staff were inspired to start the practice of collecting waste plastic from their homes and surrounding and submit it in the school premises at the specified counter on the 26th of every month. All the collected waste would then be handed over to the Nagar Nigam. The aim and idea behind this noble drive is 'to CHANGE together & make the city SWACCH'.

TATA Build India Essay

TATA has been involved with the young minds of the country over a period of time. The school has been a part of it for about three years now. It involved the young learners in this competition on the January 31, 2022 at 2:00 P.M. This competition was conducted through zoom by TATA. Three videos were shown by

TAI and the topic was announced on the spot. Participants were given an hour to write a 500 words essay. This competition enabled our astute students to be able to give a tangible structure to their thoughts.

PBL TRAINING

Parevartan School had organized a two-day workshop from 15th to 16th March 2022, between 9:00 am to 6:00 pm. The workshop was on "Experiential Learning" based on Project Based Learning (PBL). Under the expert guidance of Mr. Vishnu Kant and Ms. Agnes Joseph, teachers actively participated in all the activities which required alertness of both mind and body. The sessions were very interactive and taught different class- room programmes which when included in everyday teachings would indeed enhance the understanding abilities of the students. All the teachers had an active and influential involvement. The sessions were interesting and very engaging a lot of brain storming was required. Thus, to conclude Project Based Learning a very impactful, both children and teachers can achieve their respective goals.

OLYMPIADS

Unlike every year our students participated in various

Olympiads in the session 2021-22 and brought laurels to the school. This year near about 400 students participated in 11 different Olympiads stated below and added feather onto the shinnying caps of the school-

1. SOF (Science Olympiad Foundation)
2. IOF (International Olympiad Foundation) Winter Olympiad
3. UCO (Unified Council Olympiad) consists of English, Hindi, Math, Science, Social Science, Cyber, GK, and Parevartanites secured different positions in each.
4. Silver Zone Olympiad was conducted for our Pre-primary to grade 12 students, and our tiny tots left no stone unturned to put feathers in their cap in English, EVS and Math.
5. International Hindi Olympiad (Hindi Vikas Manch) is an esteemed Olympiad for Hindi and many students won accolades for the school.
6. Zee Mind War GK Olympiad- An initiated by Zee TV which conducts free of cost weekly GK quiz for students.
7. BOB Wonder Kid- A mental math and speed typing competition where in our school won City Rank-3 and National Rank-19.
8. Counting Well App- A Math gaming app which helped students to practice and speed up their Math skills and strengthen their Mathematical concepts and calculations.
